## Missing Verses in National Anthem

A clipping supposed to have been copied from a paper in Cambridge, Mass., says that the anthem "America" was first sung publicly on July 4, 1832, at Park street church, Boston, and that there were eight verses at first, four of which have been dropped. The following verses were quoted by this paper as the four original ones which for many years have been omitted in the singing of the anthem:

Our glorious land today,  
"Neath Education's sway  
Soars upward still.  
Its halls of learning fair,  
Behold them everywhere  
Whose bounties all may share,  
On vale and hill.  
They safeguard liberty,  
The school shall ever be  
Our Nation's pride!  
No tyrant hand shall smite  
While with encircling might  
All here are taught the right  
With Truth allied.  
Beneath Heaven's gracious will  
The stars of progress still  
Our course to sway;  
In unity sublime  
To broader heights we climb,  
Triumphant o'er Time—  
God speeds our way.  
Grand birthright of our sires,  
Our altars and our fires  
Keep we still pure!  
Our starry flag unfurled,  
The hope of all the world,  
In Peace and light imperiled,  
God hold secure!

## JUNIOR RED CROSS GROUPS ORGANIZING

Junior Red Cross groups are being organized this week in every assembly room in the grade schools of the city. The programs of the weekly meetings will be concerned with health and various activities in the community, as they were last year.

## WILL PORTRAY CAMP IN SCHOOL SAND TABLE

Children of the fourth grade of Baxter school are planning to make a camp in their sand table. Many of the children went camping this summer and some lively work in the sand table is expected.

## WORLD EVENTS in BRIEF

A great number of men representing British laboring men met last week in Cardiff, Wales. They declared that they welcomed the meeting to talk over doing away with armies and navies which will meet in Washington, D. C., on Armistice Day, Nov. 11, and which people of many nations will attend.

People in Ireland, instead of saying Council of Erin, or Ireland, call their council Dail Eireann. This council has agreed to send certain men to Inverness, Scotland, to talk with Mr. Lloyd George, premier of England, who is now spending his vacation at that place, about the Irish questions, in an attempt to bring peace between the two nations. The date proposed for this meeting is Sept. 20.

Late returns in the election held in Indiana, Tuesday, Sept. 6, show that only one amendment of the thirteen proposal amendments to the state constitution has been authorized. This amendment says that all people now living in the state of Indiana but born in some other country, shall become American citizens before they vote.

The following men have been appointed to represent the United States in the disarmament conference which will take place in Washington in November: Elihu Root, Charles Evans Hughes, secretary of state; Henry Cabot Lodge, Republican senator from Massachusetts, and Oscar Underwood, Democratic leader in the senate.

Men interested in industries which have to do with chemistry met in New York city this week. They urged that the United States protect the trade of making dyes and help to increase the sale in foreign countries of dyes made in America.

The assembly of the League of Nations now being held in Geneva, Switzerland, is becoming more and more important in European affairs. It is now considering the question of Upper Silesia which made trouble between Germany and Poland, and has now been asked to think about the just boundaries of Albania.

## ANNAPOLIS MIDDY ADDRESSES SCOUTS

Mr. Harold Krick who is attending the naval school at Annapolis held the close interest of the Boy Scouts of Troop 5, Monday evening with a description of a recent cruise he had taken. Mr. Krick gave a very lively description of the cruise which was by way of Honolulu, Straits of Gibraltar and Cuba. Many postcards picturing the places seen were given to the boys to look over.

Following Mr. Krick's talk a discussion was held on the question whether or not the troop should form a football team. It was decided that as it is not customary to form troop teams for athletic activities that they would not, as a troop, form a football team this fall.

Members of this troop are planning a hike for Friday evening, Sept. 23.

## PIG CLUB JUNIORS TAKE BIG PLACE IN WAYNE STOCK SHOW

One of the exhibits in the Wayne county stock show held at Jackson park, on Wednesday and Thursday, Sept. 14 and 15, which attracted the greatest amount of interest and the largest number of visitors was the showing of pigs by juniors, members of the Wayne county pig clubs.

The pigs were shown in the tent in the valley to the east of the grounds and the name and address of the owner was shown with each pig. Fifty-five entries were made by pig club members for the show, this being a requirement in the pig club work. Some were unable to exhibit their pigs because of illness. In one case the pig was sick. There are 62 members in the club this year and many juniors have expressed their desire to join the clubs next year. There were four clubs this year; the Big Type Poland China, the Spotted Poland China, Duroc Jersey, and Chester White, which were carried on during the summer under the leadership of J. L. Dolan, county agricultural agent.

The Palladium took the pictures of the pig club members early Thursday afternoon.

## GARFIELD PICK-UPS

A meeting of the "G" senate was called for Friday, Sept. 16. The business planned for this meeting was organization for work for the year 1921-22 including the election of officers.

Chore cards have been distributed to juniors who wish to take part in the Health Crusade carried on by the Junior Red Cross.

Chapel exercises were planned for Friday afternoon, Sept. 16, at which time Superintendent of Schools W. G. Bate had been asked to address the students. Principal N. C. Heironimus was to make the announcements and the newly organized Garfield orchestra was to play two selections.

Members of the school council met Wednesday in the general exercises period and discussed plans for the present semester's work. Election of officers is planned for next Wednesday's council meeting.

The annex is now on Garfield school ground. Two new wooden buildings have been erected on South Twelfth, next to the main building and house the boys' gym and two departments of woodshop work.

The board of publication which plans the chapel programs for the current semester met for an organization meeting Monday. Pearl Dixon was elected president, and Edna Scott, secretary of that body. It was decided to have the following committees to plan the various kinds of chapel programs: Play program committee, "Mixed," program committee, special day program committee, elocution program committee and music program committee.

The Headlight staff held its first meeting for the year, with Miss Williams, faculty member of the staff, Wednesday afternoon. Plans for this year's publication of the school paper, The Headlight, were discussed. It was decided that the first number should appear the last of October and should be a Halloween number.

Enrollment of Garfield school though not quite complete Wednesday was reported to be something over 690 pupils.

## SEVASTOPOL WINS GAME FROM NO. 11

A team from Sevastopol school defeated a team from School No. 11, Friday, September 16 in a baseball game on the latter's grounds. The final score was 12-8.

Another game is planned for the near future by the same teams and will be played on Sevastopol's grounds.

Line-up for Friday's game was as follows: Byron Ewbank, catcher; Ralph Severance, pitcher; Ray McConaha, short stop; Ben Ryan, 1b.; George Dickerson, 2b.; Dale Evans, 3b.; William Wagner, r.f.; Charles McNew, l.f.

## SCHOOLS FORMING CLASSES IN MUSIC

Professor F. K. Hicks and Professor J. E. Maddy visited the schools this week and began the organization of the piano and violin classes in the schools. They expect to have the school classes in these subjects organized by the end of the week.

Grade school orchestras have begun their reorganization and will begin practise soon.

### A Junior Wireless Club.

Boys and girls of Ocean county, N. Y., have formed a wireless club which will receive market news from the Bureau of Markets, and will post the news for the benefit of the farmers of that community. A number of wireless outfits are already in operation and the farm market quotations are posted daily in local postoffices, stores and other places centrally located.

## CLUB ACTIVITIES AT J. H. S. PLANNED

Activities outside of the regular school work will take place as they did last spring semester in the General Exercise period on Friday afternoons alternating with the Friday chapel exercises. Twenty-four clubs have been planned and organization of these is taking place this week. It is hoped this will be completed in time to hold the first activities period of the year next Friday afternoon.

The names of the clubs offered this semester, the scope of work, and the faculty leader in each are given below:

1. Story Telling. Miss Harris, Girls and Boys. Members will learn stories and how to tell them.
2. Debating Club. Mr. Emery, Girls and Boys. Technique and practice in debating.
3. History Story Club. Miss Kiff, Girls and Boys. Will tell some revolutionary stories and hero stories from history.
4. Poultry Club. Mr. Cox, Girls and Boys. Study of chickens, incubation, culling, how to score. If time permits will study rabbits and pigeons.
5. Travelers Club. Miss Wilson, Girls and Boys. Accounts of excursions to various places will be given and other travel accounts.
6. French Club. Miss Elliott, Girls and Boys. A study of French cities, cathedrals, language and literature from the standpoint of general art. A knowledge of the French language is not necessary.
7. Sketching Club. Mr. Brown, Girls and Boys. Sketching out of doors from nature, using pencil, pastel, water colors and oils. If weather is bad will work indoors, learning the principles of picture making from still life groups.
8. Science Club. Mr. Nelson, Boys and Girls. Experiments will be performed and then the scientists' life will be given.
9. Girl Scouts. Mrs. Graves, Girls only. The members will do regular girl scout work. Open to new and old girl scouts.
10. Millinery Club. Miss Shera, Girls only.

## Roumanian Princess Enjoys School Fete

The following little story quoted from a letter to American Red Cross workers in Cleveland, is told of Princess Ileana, youngest daughter of Queen Marie of Roumania who is said to be a very beautiful child and very much interested in Junior Red Cross work. (The school spoken of is School No. 17, Polizu, Bucharest, Roumania, with which, the sixth grade of Starr school corresponds):

"On Sunday, the 19th, the little primary school No. 17 from Str. Polizu gave a fete at one of the theaters. Princess Ileana was invited to see the children's fete and she was so glad to see these kiddies in their cunning Roumanian costumes that she kept throwing at them the flowers that she had been offered and was most thrilled and excited when from underneath the curtain some little girl dressed as a Roumania shepherd boy would crawl to reach the flowers and wave them at her and doff her sheepskin hat. Through Miss Storcescu, I asked permission to take a picture of the princess in the midst of the children, which she granted with much grace and good will. If the picture comes out well, I will send it to Paris with the rest of the films."

## RED CROSS POSTERS PLACED IN SCHOOLS

An American boy and girl and an American flag are pictured on the new Junior Red Cross posters which arrived early in the week in the supervisor's office and were taken to the schools of the city before the end of the week. One poster will be given to each group of Junior Red Cross workers in the public schools. This will mean that posters will be placed in every room in the grade schools and in every assembly room in Garfield Junior High school.
